- 02 Celebrating Our Donors
- 06 In Memory
- 07 Handbags for Hospice

## A Message from Eva Reti

Chair, Hospice Whitby

Hello everyone

By now, most of you have heard the news that we have received approval from the Ministry of Health to proceed to construction on Hospice Whitby-Roger Anderson House! We are beyond thrilled, and so are all of our supporters who have made very positive comments on our social media platforms.

We have benefitted from the expertise and advice of many people who have been through the planning stages of building a hospice residence, but when it comes down to it, financial donations are what have gotten us to this point in our project. Every dollar certainly makes a difference to getting the doors open.

On November 13, we will once again be hosting our annual Handbags for Hospice event at the beautiful Deer Creek in Ajax. This is where our event sponsors shine, and every year Handbags for Hospice gets bigger and better because of their support! In our next newsletter we will celebrate more of our donors and all of the sponsors who help ensure that our signature event continues to be an annual success.

We will keep you posted as the construction plans develop, and once we confirm the date for the official groundbreaking ceremony, I will let you know. That will be a very special event, and the only time that we can all be together on the future site of Hospice Whitby-Roger Anderson House. What a photo that will be!

Our Capital Campaign will continue for a while longer as we finish raising the funds for construction costs and move on to the furniture and fixtures phase. However, it won't be long before the site will be fenced off, and the dream of a beautiful 10-bed hospice residence filled with care, comfort and compassion starts to become a reality.

Help us complete the journey – donate today  
and be part of this incredible milestone!

# Celebrating Our Donors

In this special edition, we honor the extraordinary generosity of our donors to the capital campaign for our new hospice build. Your contributions are laying the foundation for a space where comfort, care, and compassion will flourish for years to come. Below we are honouring those donors that have contributed \$500 or more. We have approximately 500 donors who have contributed up to \$500 and they will be honoured in a future issue of the newsletter. **Thank you for building a brighter future with us!**
